

# Weak

Larissa Lambert

I don't know what it is that you done to me  
But it's caused me to act in such a crazy way  
Whatever it is that you do when you do what you doing  
Oh, no, no, no  
It's a feeling that I want to stay

'Cause my heart starts beatin' triple time  
With thoughts of lovin' you on my mind  
But I can't figure out just what to do  
When the cause and cure is you, you

I get so weak in the knees, I can hardly speak  
I lose all control and something takes over me  
In a daze, your love's so amazing  
It's not a phase, I want you to stay with me  
By my side, I'll swallow all of my pride  
Your love is so sweet, it knocks me right off of my feet  
Yeah, yeah  
Can't explain why your lovin' makes me weak

Time after time after time I try to fight it, yeah  
But your love is strong and it keeps on holdin' on  
Resistance is down when you're around, try to fight it, hey  
In my condition, I don't wanna be alone

'Cause my heart starts beatin' triple time  
With thoughts of lovin' you on my mind  
But I can't figure out just what to do  
When the cause and cure is you, you

I get weak in the knees, I can hardly speak  
I lose all control and something takes over me  
In a daze, your love's so amazing  
It's not a phase, I want you to stay with me  
By my side, I'll swallow all of my pride  
Your love is so sweet, it knocks me right off of my feet  
Can't explain why your lovin' makes me weak
