

## Black Echo

Larkin Poe

I never been one you call you scared  
Can't keep two fingers in the air  
You got a hold on me  
From my head to my feet  
I let myself get too deep

So you some long nightmare  
You shadow me everywhere  
What ever I know  
But maybe I don't  
Know you like I thought I do  
I don't know you like I thought I do

Hear your voice callin' like a black echo  
Callin' in the night and I can't let go  
Caught me comin' down with your black echo  
Ooh...

You sharpen your tongue in the dark  
You put that edge on my heart  
Every night I put up a fight  
But ya keep me comin' back again  
But ya keep me comin' back again

Hear your voice callin' like a black echo  
Callin' in the night and I can't let go  
Caught me comin' down with your black echo  
Ooh...
