

# Blunt

Larkin Poe

We used to be so cute  
What happened to us  
What happened to us  
Since then

From Tonka Trucks to nukes  
What happened to us  
What happened to us  
Since then

Your sins are myriad  
So says our god, well  
God, if you're serious  
You botched the job

If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?  
If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?

Was if you who made the shape  
Up in the garden  
Up in the garden, Lord

Was it you who set the stake  
Up which we're climbing  
Up which we're climbing now

Your sins are myriad  
So says our god, well  
God, if you're serious  
You botched the job

If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?  
If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?

Baby better get your tools  
We've got a lot of work to do  
Baby better get your tools  
We've got a lot of work to do  
Baby better get your tools  
We've got a lot of work to do  
Baby better get your tools  
We've got a lot of work to do

If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?  
If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?

If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so many?  
If you knew your chisel was blunt  
Why did you make so many of us?  
Why did you make so, make so many?
