

Enough For You

Larkin Poe

Here's the deal and it's trouble
I find you so undeniable
Am I fool, yes by double
But you're the sculpture
And I am pliable
Wanted to let you know my admiration
But I found the questions kept me hiding it
Now I'm torn between love and hesitation
Just as I can't go back
I can't keep hiding it

When I feel your eyes on me
I fall in love again
If only I could have you
If only for one day
I'd show you all that I am and all that I have
Would it be enough for you, enough for you

I see you in the street
I thought I saw you in the store
I feel you near, I think I hear you at my door
You're in my head at night
You're in my every bone
You're all I think about
When I'm scared to be alone

When I feel your eyes on me
I fall in love again
If only I could have you
If only for one day
I'd give you all that I am
All that I have would it be enough for you
Enough for you

Oh, I feel your eyes on me
I fall in love again
If only I could have you
If only for one day
I'd give you all that I am
All that I have would it be enough for you
Enough for you
