

# Fool Outta Me

Larkin Poe

Gotta learn some lessons the hard way  
Gotta burn some smoke out on the highway  
Let the big wheels turn  
Let the big wheels turn

Gonna throw my troubles to the wind  
Gonna let my shadows come on in  
Let the big wheels turn  
Let my big wheels turn

Believe what you want  
But I don't wanna believe what they say

"You'll never make it with your heart on your sleeve  
The world'll only break you, just you wait and see"  
Life ain't a joke, baby, I disagree  
But what do I know? Make a fool outta me  
What do I know? Make a fool outta me

You're givin' me mercy when I fall  
Tellin' me, "Don't worry about it all"  
Just let the big wheels turn  
Let your big wheels turn

'Cause the sun still rises after sorrow  
Gotta let tomorrow come tomorrow  
Let your big wheels turn  
Let the big wheels turn

Believe what you want  
But I don't wanna believe what they say

"You'll never make it with your heart on your sleeve  
The world'll only break you, just you wait and see"  
Life ain't a joke, baby, I disagree  
But what do I know? Make a fool outta me  
Yeah, what do I know? Make a fool outta me

What do I know? Make a fool outta me  
Make a fool outta me  
What do I know? Make a fool outta me  
Make a fool outta me  
What do I know? Make a fool outta me  
Make a fool outta me  
What do I know? Make a fool outta me  
Make a fool outta me

And no, I don't wanna believe what they say

"You'll never make it with your heart on your sleeve  
The world'll only break you, just you wait and see"  
Life ain't a joke, baby, I disagree  
But what do I know? Make a fool outta me  
Yeah, what do I know? Make a fool outta me

Baby, what do I know? Make a fool outta me  
What do I know? Make a fool outta me
