

# Holy Ghost Fire

Larkin Poe

Lost myself and I lost my soul  
Thumb stuck out on the side of the road  
Eye at the keyhole, no one's home  
Who's gonna help me carry my load

All I got in my pocket: holes  
All I got on my back: bones  
Stick a fork in a socket, let's rock

Burn  
Burn, baby, burn with that holy ghost fire  
From your fingers to the frets gonna testify  
Sing  
Sing, baby, sing, let your sorrow pass by  
Lift our voices with the smoke rising higher  
Burn with that holy ghost fire

Stargaze child in a neon night  
Burns so bright, can't see the light  
Let it go, gotta close your eyes  
The thunder rolls and lightning strikes

All I got in my pocket: holes  
All I got on my back: bones  
Stick a fork in a socket, let's rock

Burn  
Burn, baby, burn with that holy ghost fire  
From your fingers to the frets gonna testify  
Sing  
Sing, baby, sing, let your sorrow pass by  
Lift our voices with the smoke rising higher  
Burn with that holy ghost fire

Burn  
Burn, baby, burn with that holy ghost fire  
From your fingers to the frets gonna testify  
Sing  
Sing, baby, sing, let your sorrow pass by  
Lift our voices with the smoke rising higher  
Burn with that holy ghost fire

Burn  
Burn, baby, burn with that holy ghost fire  
From your fingers to the frets gonna testify  
Sing  
Sing, baby, sing, let your sorrow pass by  
Lift our voices with the smoke rising higher  
Burn with that holy ghost fire  
Burn with that holy ghost fire
