

## Leave

Larkin Poe

She was nice but I never loved her  
She kept on coming 'round when I was feeling blue  
And I had my night, she had everyone's  
So I just figured there was nothing left to do

But leave  
Leave  
I've got everything a guy could dream of  
So just leave  
Leave  
I'd rather stay home dreaming of you

So do not be nice  
If you don't love her  
She'll keep coming 'round to play you like a song  
And all [?]  
Can't have everyone  
So don't pretend you can go back home where you belong

Whoa-oo-oo-oo  
Leave  
Leave  
I've got everything a guy could dream of  
So just leave  
Leave  
I'd rather stay home dreaming of you

Just leave  
Leave  
I've got everything a guy could dream of  
So just leave  
Leave  
I'd rather stay home dreaming of you

Just leave  
Leave  
I've got everything a guy could dream of  
So just leave  
Leave  
I'd rather stay home dreaming of you  
I'd rather stay home dreaming  
Of you  
Ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh
