

## Preachin' Blues

Larkin Poe

I'm gonna get me some religion  
I'm gonna join the Baptist church  
I'm gonna get me some religion  
I'm gonna join the Baptist church  
Gonna be a preacher  
So I don't have to work

I wish I had a heaven  
A heaven of my own  
I wish I had a heaven  
A heaven of my own  
Give all of my women  
A long and happy home  
I'm gonna preach these blues  
I'm gonna pick my seat and sit down

I'm gonna preach these blues  
I'm gonna pick my seat and sit down  
'Cause when the spirit comes  
Lord knows I'm gonna watch it too

Grabbed up my suitcase  
And took off down the road  
Grabbed up my suitcase  
And took off down the road  
I said farewell my church  
May the good Lord bless your soul  
Bless your soul  
Bless your soul  
Bless your soul  
Bless your soul
