Larkin Poe

Hardcore lock it up
I never felt this high before
I feel it, feel it in my heart

Deep cut to the bone
I'm hooked and I can't help it
'Cause I feel it, feel it in my heart

Venom in your touch
Now it's in my blood
You're venomous, you're venomous, ah
Scorpion

Heartstrings tangled up
You know that you're my everything
I see it, see it in your eyes

Sweet dreams on a chain
With you there are no in-betweens
I see it, see it in your eyes

Venom in your touch
Now it's in my blood
You're venomous, you're venomous, ah

Scorpion

You're so evil
You're so evil
You're so evil
Scorpion
You're so evil
You're so evil
You're so evil
Scorpion

Venom in your touch
Now it's in my blood
You're venomous, you're venomous, ah
Scorpion

You're so evil
You're so evil
You're so evil
Scorpion
You're so evil
You're so evil
You're so evil
Scorpion

Venom in your touch
Now it's in my blood
You're venomous, you're venomous, ah
Scorpion
