

# Sometimes

Larkin Poe

Way down yonder, sometime  
Living with the law, sometime  
Bound for glory, sometime  
We gonna see it all, sometime  
Just get onboard, sometime  
I'm gonna fill my sack, sometime  
Uh 'til my honey come back, sometime  
I'm gonna rap that Jack, sometime

No time wastin', sometime  
Come and get your fill  
No time wastin', sometime  
Come and get your fill

Way down yonder, sometime  
We gonna drag that saw, sometime  
Load to carry, sometime  
Doncha hem and haw, sometime  
Just get onboard, sometime  
I'm gonna build that stack, sometime  
Uh 'til my honey come back, sometime  
I'm gonna rap that Jack, sometime

No time wastin', sometime  
Come and get your fill, sometime  
No time wastin', sometime  
Come and get your fill, sometime  
No time wastin', sometime  
Come and get your fill, sometime  
No time wastin', sometime  
Come and get your fill, sometime

Try your patience, sometime  
Doncha just sit still, sometime  
No more waitin', sometime  
You gotta climb that hill, sometime  
Changes making, sometime  
You gotta pay that bill, sometime  
No time wastin', sometime  
No time wastin', sometime

Sometime  
Sometime  
Sometime  
Sometime  
Sometime

No time wastin', sometime  
Come and get your fill, sometime  
No time wastin', sometime  
Come and get your fill, sometime  
Try your patience, sometime  
Doncha just sit still, sometime  
No more waitin', sometime  
You gotta climb that hill, sometime  
Changes making, sometime  
You gotta pay that bill, sometime

No time wastin', sometime  
No time wastin', sometime

Way down yonder, sometime  
Living with the law, sometime  
Bound for glory, sometime  
We gonna see it all, sometime  
Just get onboard, sometime  
Just get onboard  
Just get onboard, sometimes
