

SUGAR HIGH

Larkin Poe

What you see is what you get
I ain't gonna sugar coat it
What you see is what you want
So come on and take a little bit
Bliss, bliss on the wings of a kiss
We're gonna fly 'til you can't fly higher
What you see is what you get
And it don't get better than this

(Sugar high)
Give you a sugar high
Pop the top and drink me dry
Give you a sugar high
(Sugar high)
Give you a sugar high
Take a hit, do it one more time
I'll give you a sugar high

Sweat and tears will spice it up
You look sharper than a tin can
In my kitchen we'll cook it up
So come on, you big legged man
Oh bliss, bliss on the wings of a kiss
We're gonna fly 'til you can't fly higher
What you see is what you get
And it don't get better than this

(Sugar high)
Give you a sugar high
Pop the top and drink me dry
Give you a sugar high
(Sugar high)
Give you a sugar high
Take a hit, do it one more time
I'll give you a sugar high

Are you feeling lighter?
Are you levitating off the floor?
Tripping on love, the sweetest drug
I'm gonna take you higher
Than anybody's ever been before
Tripping on love, the sweetest drug
(Tripping on love, the sweetest drug)

(Sugar high)
Give you a sugar high
Pop the top and drink me dry
Give you a sugar high
(Sugar high)
Give you a sugar high
Take a hit, do it one more time
I'll give you a sugar high
