

Cruisin'

Larry Graham

Cruisin', cruisin' down the highway
Cruisin' down the avenue of love
Cruisin', cruisin' down the highway
Cruisin' down the avenue of love

Imagining here we are in motion
Just you and me on a highway to the stars
Possibly, we might get the notion
To sail away to Jupiter or Mars, what's it gonna be?

Cruisin' (Cruisin'), cruisin' down the highway (Highway)
Cruisin' down the avenue of love (Love)
Cruisin' (Cruisin'), cruisin' down the highway (Well)
Cruisin' down the avenue of love

Can't you see, we're caught up in a motion
That seems to be expressions of our love
Helplessly, we're drownin' in an ocean
Of ecstasy, a tidal wave of love, gotta keep on groovin'

Gotta keep groovin', groovin', groovin'
Never stop movin'
I never stop movin', movin', movin'
Ain't thinkin' 'bout losin'
Ain't think 'bout losin', losin', losin'
Gotta, gotta, gotta, gotta keep on cruisin'
I gotta keep cruisin', cruisin', cruisin'
Yeah, ooh-hoo

I feelin', hoo
I feel like, hoo-hoo
I feel like, hoo, hoo-hoo
You and me, we're gonna have some fun

Fun, fun, fun
You and me, we're gonna have some fun, girl
Fun, fun, fun
Yeah, ooh-hoo
Fun, fun, fun
We're gonna have fun, yeah, so you and me
Fun, fun, fun
We're gonna have fun, fun, fun, we're havin'

Cruisin' (Cruisin'), cruisin' down the highway (Highway)
Cruisin' (Well) down the avenue of love (We're down the avenue of love)
Cruisin' (Cruisin'), cruisin' down the highway (Cruisin' through the highway
)
Cruisin' down the avenue of love (Cruise)

Imagining here we are in motion
Just you and me on a highway to the stars
Possibly, we might get the notion
To sail away to Jupiter or Mars, 'cause we're gonna be

Cruisin' (Cruise), cruisin' down the highway (Cruisin' down the highway)
Cruisin' down the avenue of love (Yeah, ooh-hoo)
Cruisin' (Hoo-hoo), cruisin' down the highway (Cruisin' down the highway)

Cruisin' down the avenue of love (Cruisin' down the avenue of love)
Cruisin', cruisin' down the highway (Cruisin' the, cruisin')
Cruisin' (Cruisin') down the avenue of love (The avenue of love)
Cruisin', cruisin' down the highway (Hoo, yeah)
Cruisin' down the avenue of love (Ooh, hey, babe)
Cruisin' (Down the avenue), cruisin' down the highway (Cruisin' down the highway)
Cruisin' (The avenue of love) down the avenue of love (Yeah, ooh-hoo)
Cruisin' (Hoo-hoo), cruisin' down the highway (Cruisin' down the highway)
Cruisin' (Hmm) down the avenue of love (Cruisin' down the avenue)
Cruisin' (Down the avenue, down the avenue), cruisin' down the highway (Cruisin' down the highway)
