

# For Your Love

Larry Graham

Hoo, hoo  
A-huh

You opened my heart and set it on fire  
I feel you all around me  
You satisfy every secret desire  
You're keepin' me surrounded

And I'm gonna hold you  
'Cause you're my inspiration  
Oh-oh-oh, ten thousand soldiers  
Could never keep me away

For your love, I've been burnin', burnin', oh  
For your love, I'd do anything  
For your love, I've been burnin', burnin', oh  
For your love, I'd do anything

And even when dark clouds gather above  
I know you'll hold a light out  
When everyone else has run out of love  
You'll still be on my side

You know I'm gonna hold you  
'Cause you're my inspiration  
Woah-oh-oh, ten thousand soldiers  
Could never keep me away

For your love, I've been burnin', burnin', oh  
For your love, I'd do anything  
For your love, I've been burnin', burnin', oh  
For your love, I'd do anything

Hoo, hoo, hoo  
Hoo, hoo-hoo-hoo-hoo  
Hoo-hoo  
A-huh

Woah-oh-oh, I'm gonna hold you  
'Cause you're my inspiration
