

Still Thinkin' Of You

Larry Graham

Lately it's true
There's something weighing on my mind
And it's nothin' new
But I really had to write you this time
Pretty soon this will end
I tell myself day after day
And though I try to pretend
I can't believe this feelin' away

Lately I feel, like I'm walking in the pouring rain
And no matter how I hide the pain
All this time, I'm thinkin' of you
I'm thinkin' of you

Although I found someone
I suppose she's been treating me right
Still I find myself awake
And so alone in the night
Well it seems so long
So long since we've said goodbye
I clear so clear then
Now I find myself wondering why

Lately I feel, like I'm walking in the pouring rain
And no matter how I hide the pain
All this time, I'm thinkin' of you
I'm thinkin' of you

So I'm writing this letter now
What else can I do?
And I'm hoping there is still a chance
You feel the same way too

Lately I feel, like I'm walking in the pouring rain
Like you're never gonna be the same
I need you to know
I'm thinking of you, of you
I'm thinking of you
Thinking of you
I'm thinking of you
