

# You're My Girl

Larry Graham

You're my girl  
And you've become a part of me  
I love you so much  
You're my girl  
And to my heart you hold the key  
In love we'll always be

You're my girl  
And you're just what I've waited for  
A long, long time and  
My girl  
I'll love you like nobody else  
Has ever loved before

You're my girl  
You make me feel so good inside  
And I'm so proud  
You're my girl  
You compliment my very soul  
At last I found you  
My girl  
I want the whole wide world to know  
You'll always be my girl

You're my girl
