Two twelves in the back when I'm mobbin'
Grab a eighth for the purp, fresh white t-shirt
No L's but a young nigga slidin'
Got a bitch out the way, brand wood to be exact
Sucking dick like the bitch still in college
Don't make me take it back to '07, bitch nigga
Black hoodie with the chinese chop
Don't gimme no motherfuckin bammer bitch nigga
In the 415, that's a problem
Got a bitch in the eighth, hella bad
And she think that she make a real good peach cobbler
Got her trappin' in the city, San Bruno Bayhill
First game so I treat her like a starter
Got her first Louis bag, now the bitch going hard
Now the ho ridin' round in a Maserati
