To see a nigga like me  
All or nothing (Prices went up bitch ass nigga)  
All or nothing (Yes, lord, all or nothing)

Run it up little bitch, shake sum'n  
4-5 soundin' like a bass drum

Left the whip outside, motor running  
Pull up in a foreign, nigga [?]  
Broke days, nigga still had money  
Green juice, white coupe, blue hundreds  
Ayy, ayy, ayy, ayy, ayy  
Switch it up, new cut bitch what  
Just in case gotta have a few tucked  
Slow bucks better than no bucks  
Watch me wet a nigga up, swimming trunks  
Street nigga, you can see it in my eyes  
Hating ass niggas can't keep up  
Tapped in like a Beamer seatbelt  
Knock a dirty tramp, get a D tip  
I had this lil' bitch, she stayed in Compton  
I used to bust hella knocks in her champagne Honda  
I kinda liked her for a month, next one I dropped her  
Found out on the low she was bopping my partner

All or nothing (Boogie, uh)  
Straight up (Ayy, ayy, ayy)

It's all or nothing, roll the dice

If I ain't outside, checking bags with my comrades  
I'm in the kitchen, three bitches with ambition  
[?] lazy ass hoes that wanna eat sleep and smoke  
Snatch the blankets off the bed, put you back on the road  
I'm in the Range drop, gas tank on F, pass through the Trench  
Passed you, you sitting on the bench, ashed cigarette  
Ask for directions when you lost like that  
I've been down for a second but I bounce right back  
You know they can't keep a good nigga low  
That's from my OG  
If you own me then you know me

I can scope you from the nosebleeds  
Waffle ass niggas getting pressed and cut  
All these capping ass niggas gon' invest in us  
While you investing in [?] you dumb cluck  
Coulda cop some weed  
Yeah, you hit, but it's not for free

Pick that book up and look it up  
I don't like coupes, they too snug, I like trucks  
Big dogs eat, you a pug  
Bet you ain't know I was the plug, what you want?  
What's the count? I don't front on lump sums, no credit  
This a membership club and I'm the only one with it  
Big pimping on a yacht like Jigga  
Five point O whipping this to the picnic  
The show like Slick Rick, pancake, Bisquick  
Need some water with it like a Popeyes biscuit  
No Triscuits, it's intricate, we need the real chicks  
I mean the kinds you stack, not the ones you dip

All or nothing (Boogie, uh)  
Straight up (Ayy, ayy, ayy)
