

Always Want More

Larry June

I'ma tell you some real motherfuckin' game
No, just listen to me, listen to me
You know man, the game is no different from bein' on drugs, you know
Once you in, it's hard to leave
You get addicted to the fast money no matter what, it's crazy

I ain't pimped in a minute, I been all on the road
And every real P know you can't do both
Baby, ain't shit free, yeah, the game is sold
Buy it on iTunes and play on the low
Had to cut her off, she was playin' with her nose
Bitch, you out of pocket, gotta stay on your toes
Numbers, bitch, you know what I'm on
Spent two-fifty on the LV cologne
Off top, I'm actin' a ho
Everything I say, bitch, always go
I can't babysit, but I can break on you, though
If you talk some real dough, got my attention for sure

I've had money (Yeah)
But I always want (Sock it to me, ayy, ayy, ayy)
I'm gettin' cash, baby (Uh, damn)
But I always want (Check, yeah, baby, uh)

Bitch, what's happenin'? You've been cattin' off hella
Doin' it big, I'm livin' like a Goodfella
She knew from the conversation I'm havin' cheddar (Cash)
Put her in the Beamer and new Margiela
I'm mashin', I want it all
Get up out my face, baby, and do a call
We did Santa Rosa, it's a push but it's nothin'
A verified trick talkin' 'bout big duckets
I'm posted (Sock it to me), I'ma chill right here (Uh)
If anything happen, I'ma grab this steel (Off the dribble)
She hit my other phone like, "Daddy, it's good"
The bitch just hit, now we back to the hood, what's happenin'?

I've had money (Yeah)
But I always want (Sock it to me, bitch, pay me, or pay me no attention)
I'm gettin' cash, baby (Yeah, big cash, damn, yeah, yeah, yeah)
But I always want (Yeah, baby, ayy, ayy, ayy, ayy, ayy, ayy, off top, sock it to me)

You and I, and a little wine
Have so much to do
So much work undone
If we don't take time (Time)
To mend our ways
We'll both regret it
'Til our dying days
