Larry June

Check

(June I got you)

I done took L's, I done took wins (wins)
Calculated risk, no assist, just him (damn)
Don't call me the king of shit, I'm just tryna live (sock it to me)
Take care of my son, buy another Benz (numbers)
Living on the edge but it's all about decisions (decisions)
The least you could do is put the key in the ignition
You just gotta try my nigga, then put the grind widdit
On the phone with Too \$hort, respect to the real pimp

Check

Know what my nigga, stay consistent
Oh you want this whip? Stay consistent
Understand time is valuable, consistent
Got tired of taking L's, start playin'

You gotta trust your dope, before you can sell it (forreal)
Pack it and mail it, it took me to places (places)
That I never been, I'm thumbing through Yen
In Tokyo, and Ando sippin' gin ('sup Ando?)
Well respected, well connected (connected)
Oh you got some money?
Well invest it, learn from lessons (uh)
G-O-D, my first whip was a Lexus, check
I was down to my last Top Ramen pack
When I got the text message sayin' I'm 'bout to be a dad
Fled to Arizona, started moving packs, that was that
Hotel to hotel, nowhere that I was livin' at
If I get caught with this backpack, it's a wrap
Back then a loss was hella different, I was going down
My homie had a smoke shop, that's where I used to stash it at
We cut from the same cloth, how you gon' hate on that?

Consistent

No matter what, stay consistent
Keep going my nigga, stay consistent
It's gonna come in place, for real
Consistent
Uh, aye aye aye, aye aye aye

You gotta believe in that
The beauty of your dreams, yahmean?
It's really up to you, how bad you really want it
You gotta trust your dough (you gotta trust your-)
Hand me that light baby
You gotta trust your dough (you gotta)
You gotta trust your dough (you gotta trust your dough)
My nigga, you gotta trust your-
Aye aye aye, aye aye
Man
Uh, numbers
