

# Don't Try It

Larry June

Man, nigga this beat so hard I'ma have to let this shit ride  
Shit, Foolie what's happenin? Cardo bring that shit in  
Damn, Shh shh shh shh mack  
Ay ay ay ay ay damn, you see how I'm comin' nigga  
Feel me? Nigga I bounce out that Rari  
Nigga I almost hit my motherfuckin' head nigga know I'm sayin'  
Hahaha, beatin' they ass though, numbers nigga

What you niggas know about dope fiends and blocks  
You was always in the house caked up with the thots  
I was whip after whip, nigga, spot after spot  
On my way to Santa Rosa to go pick up a lot  
Yeah this coat cost a lot, it got G's and shit  
My asian nigga out the way got them P's and shit  
I'ma millionaire nigga I don't need the lick  
I know them niggas still hatin' so I keep the stick  
Bust another play then I do the money dance  
No better feelin' then them hunnids in my pants  
The watch cost a lot she gon' choose off a glance  
Know some young niggas that'll murk for a band  
We don't want truce, nigga fuck the opps  
Got a lil' shh, that'll suck and swallow  
My table cost a lot it was roche suave (What's that?)  
Can't really pronounce, but it cost me a lot  
What's happenin'?

Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me  
Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me  
Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me  
Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me

First off let me get back to talkin' my shit  
Every time I'm in my old school, I'm not gonna quit  
Got a lineup from Sam, now I'm clean as bitch  
[?] behind me, I ain't turnin' down shit  
It's been a long time since I used my nine  
You got yours, nigga I got mine  
I was slappin' that shit in my drop top fifty  
They pulled a nigga over, I'm like why you fuckin' with me?  
Check it out bitch, you gon' choose or snooze  
You complaining daily, 'cause yo' P a loser  
Desert eagle on me, same size as a ruler  
Nigga get out of line, then I'm on his medula  
Mackin', stackin', what else?  
Pussy I be smashin' (Good job Larry)  
Her booty just won't stop clappin'  
My neighbors thinkin' somethin' just happened  
What's happenin'?

Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me  
Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me  
Nigga don't fuck around with me  
Nigga don't fuck around with me  
Don't fuck around with me  
Nigga don't fuck around with me  
Nigga don't fuck around with me

Yeah yeah yeah yeah yeah yeah yeah  
Into the late night nigga  
Niggas know how I'm comin' nigga  
Cardo on the beats and shit  
You know I mean?  
Shits so normal to a nigga man  
You know I mean?  
Switch it up like shoes nigga  
Bitch my socks new nigga  
Brand new bitch  
Somethin' slight, numbers, ay ay ay ay ay  
Shh shh, good job
