Expensive Lemonade

Larry June

Hold on
Hold on, bitch
Hand me that bottled water, please
Thank you sweetheart
You're doin good

I got to stay ready
Lobster in my spaghetti
ASC McLaren, I need the ‘87
My lil' bro play for Denver, I had to cop the jersey
We at Ruth's Chris, filet mignon, it's me and Worthy
This lemonade eleven-dollars bitch, and that's for certain
I got a bitch from Honolulu, and she a pro surfer
I'm eatin' crab cakes, my pinky ring cost eleven
Any bitch that left me, I'm pretty sure she stressin'
f*ckin' with the same niggas and the same bitches
This bassline go crazy, I had to f*ck with it
Aix Max's with the Gucci jacket, I'm doin' good
I know that shit prolly didn't rhyme, but it wasn't stupid
Never catch me at the club, at a nigga table
My socks cost a hunid dollars, a slight dumb investment
But I came from nothin'
That's probably why this lemonade cost seven-some'
Young nigga stuntin'

You know, bitch
f*ckin' with me, shit can be different
You know I'm sayin'?
I'ma buy you a bike
I'ma take you to some muf*ckin' trails

And we gon' get this muf*ckin' money, last but not least

In 2016, I spent sixty on this
Then, took my shit to San Leandro to get my shit re-hit
Ask my nigga Stevie Mack, he was right there with me
‘Round the same time, that nigga went and got him a 6
You can't do the same shit and expect to grow
You can't be afraid to lose, I'm takin' chances for sure
If I'm rich, if I'm broke, shit, you'll never know
I've been stressin' a lil' bit, let me blow this Dro
Take a couple phone calls, then I fold my clothes
If the bitch got too much baggage, I might tuck and roll
While you sensitive ass P's put your hands on a hoe
If a bitch want to dip, I tell that bitch she can go
Eat some frozen yogurt, read a book, then head to the store
We can go do yoga, but after this, we trappin' for sure
If I ain't in the booth, I'm prolly somewhere mackin' a hoe

Aye, bitch, hand me that lemonade, please
Thank you, shit
Hell yeah, nigga, I spent seven for this
And if I get the bigger one, it's prolly eleven-some
Off the dribble, sock it to me
