# Feels So Right

**Larry June**

How you doin', baby?
I know it's been a minute, huh?
Sit down, let me holla at you though, somethin' slight

I don't know what it is, but it feels so right
How could I say no when it feels so right?
Yeah, and that's my nigga forever
Told him yeah, you doin' good, but you can do a lil better, mhm
And when I call, I'm just checkin'
Makin' sure that you good, and do the bitch cook you breakfast?
Yeah, and I appreciate that, baby, for real
I don't know what it is, but it feels so right

Lookin' at our pictures, like damn, I kinda miss you (Miss you)
Anything you need, off top, you can hit me
Life gettin' crazy (Crazy), shit gettin' tricky (Tricky)
It's just some 'bout you, man, it's better when you with me
Flight to the D, don't trip, it's on me (On me)
Then, I'ma lay you down, I'ma give you what you need (What you need)
It's so many things runnin' through my mind
I don't know why, but I hope I
Get a chance to see you (You), 'cause it's been a minute (Minute)
I like when you wear your hair like that, stop trippin' (For real)
And how can I resist when it feels so right? (Feels so right)

Makin' sure that you good, and do the bitch cook you breakfast?
Yeah, and I'ma do the same for you, baby, for real
I don't know what it is, but it feels so right

How can I resist when it feels so right? (Right)
Conversation on point, smile so bright (Bright)

In it so deep like I'm tryna make a kid (Goddamn)
Heart was so cold, you showed me how to feel
A lot of shit changed but still got bills

I show love back, 'cause I keep it so real (Keep it so real)
It feels so better when you with me (Damn)
So, damn right, baby, you can come with me (For real)
