

From Uncle Herm, Pt. 5

Larry June

This Uncle Herm
Completely, fearlessly, unapologetically authentic
If you constantly scrolling on social media
And your attitude start to change from positive to negative
Stop scrolling for a while
Successful individuals say no to what don't work for them or make sense to them
You a moron, a peon who needs to move on
You stay home all day playing Call of Duty
But in reality, you don't answer the call to handle the duty
Larry June certified, qualified to bring you satisfaction and a whole lot of action
It was my nephew who dusted me off and boosted me into another decade
Of musical hip-hop longevity
Let your vision power your decision
Yes, Lord
Good job, Larry
Yup, yup
That's him
Numbers
Yee-hee
