

## From Uncle Herm pt. 6

Larry June

Here's another one, like the other one  
With a guaranteed slight edge when Cardo's on the beat  
Until night comes, it's a celebration, so rise to the occasion  
Realize as long as you keep going, the game is still on  
Don't get razzled, dazzled, or discombobulated

Larry June is always in tune, until tonight comes  
The ability to focus is a significant skill to develop  
Don't let haters destroy your motivation for success  
Avoid that mess, remain optimistic, enthusiastic  
And loving, with integrity, have that responsibility

Yup, yup, that's him, Uncle Herm, Larry June  
With Cardo on the beat, yeehee!
