Smoking on the finest, birkin for my bottom  
I like stripper bitches, I like hoes in college  
I'm standing on the couches, I'm drinking out the bottle (fuck!)

Don't fuck with broke niggas, they schemin' and they plottin'

One hitter quitter I bet you get done up  
We all about money so this is a come-up  
Grind in the winter and shine in the summer  
Hop out the Benz and I jump in the hummer  
(Phew! Phew! YEEEEHEEEE!)

You don't wanna hear that ruger sound (goddamn)

I ain't lookin' for a friend bitch  
Ho I need another hundred thou', I wake up early then I run a mile  
Hit the blunt then I'm to the trap, I turn off then I take a nap  
Wake up with another 50 racks! (aye, damn)
