

# Gotta Get The Bag

Larry June

I been on the mission, keep it in the kitchen  
Spittin demolition, keep it G nigga  
Who harder then me and Sledgren  
Trap house boomin, takin' all methods  
Going hard, see the pain in my eye  
Dealing with the street shit and the rap  
Nowadays everybody want something  
Who the fuck can I trust now  
That's why I got so many missed calls  
That's why I got so many text message  
My son just turned 6 years old, rent just turned 37  
Bitch nigga still hatin' on me  
I just booked a pleasant vacation  
In one year beat 2 cases, goddamn niggas that's  
I fucked a bitch on two occasions, Hollywood and New Jersey  
Talkin' in my sleep, mind's still runnin gotta get this paper  
Praying for my lil brother, hope he make  
Can't lie nigga life been so crazy

Ride around 1 deep, gotta get a bag  
Block hot still gotta eat, gotta get a bag  
I like nice shit, I don't give a fuck, gotta get a bag  
Gotta get a bag, gotta get a bag

Ride around 1 deep, gotta get a bag  
Block hot still gotta eat, gotta get a bag  
I like nice shit, I don't give a fuck, gotta get a bag  
Gotta get a bag, gotta get a bag

Gotta get a bag, niggas lookin' sad  
Why you lookin' like that young man  
Keep yo head up, bitch ass nigga  
See I still show love to my haters  
I know a few you niggas on [?]  
7 point six twos going crazy  
Dealin with a lose-lose situation  
Bounce out, dope fiends go crazy  
Black coupe Porsche, thats a 911  
Straight from the grind, no triple 7's  
Wake up in the morning, calculating numbers  
Four hustles gotta have more than one  
Good job Larry  
Balenciaga joggers when I'm on the run

Ride around 1 deep, gotta get a bag  
Block hot still gotta eat, gotta get a bag  
I like nice shit, I don't give a fuck, gotta get a bag  
Gotta get a bag, gotta get a bag

Ride around 1 deep, gotta get a bag  
Block hot still gotta eat, gotta get a bag  
I like nice shit, I don't give a fuck, gotta get a bag  
Gotta get a bag, gotta get a bag
