

I Like You

Larry June

(La Musica de Harry Fraud)

I was dipping down the block
My tires were shot
Glanced in my rear view pretty girls behind me
I stopped by the store had to grab me some condoms
Got a bitch named stacy and a bro named Myron
It's a nice ass day I might ride my bike
I gotta stay strong cause this life is trife
Getting money laying low dodging the vice
I'm Sipping on Perrier watching the fight
I'm keeping it P cause that's all I know
Had to triple up my pockets and big up my goals
I used to have a girl that lived in Glen Cove
She grew up on Mac Dre and stayed 10 toes
She always kept a nigga wood rolled
She had a good trick he brought her a Range Rover
My Life is everything I spit
I just ran threw a 100 ball nigga last week

She tell me that she want truth
Show me what you made of
I really want to fuck with you
Girl let's get this paper
Say bitch I'm trying to rock with you
Say girl
Girl let's get this paper

Don't play games with me if you ready then show me
You a Badass bitch and you know that I know it
But I'm the flyest nigga walking so that's nothing to me
She came with a 60 a smooth little fee
I'm riding in my old school thinking
I hit that fish with that bitch now we chiefiging
Now we back to the motherfuckin' tug spot
And all I'm thinking about is getting bugsucked
I really can't complain cause life is cool
Be patient let it do what it do
Don't let life break you down
Harry Fraud on the sound so I'm bout to paint the town

You know I gotta keep shit groovy
If that bitch slide off then I keep shit moving
Booming everythings for sale
And if I said I'm gonna do it bitch then I will

She tell me that she want truth
Show me what you made of
I really want to fuck with you
Girl let's get this paper
Say bitch I'm trying to rock with you
Say girl
Girl let's get this paper

You doing good

Keep going
