I'll Make Time

Larry June

How you doin' baby?
Lookin' all pretty and shit
Hop in holla at me real quick
Take a ride with me
I know you wanna get to know me

And I like yo style
We should talk for a while
You the baddest around

Girl you so fly
And I can't even lie
Girl I'm on that
Ass so fat, and you know that (uh)
I condone that
If you ain't ready girl, I can fall back
I know you wanna get to know me
(Get to know me, baby get to know me)

And I like yo style
We should talk for a while
You the baddest around

(I just wanna kick it with you)
Girl you got me in a daze, girl (daze girl)
Wanna take you to my place girl (place girl)
Cause you got me in that mood
Now let me show you what this do (this do)
Yeah yeah yeah
Summertime, drop top, A/C, rag-top
Baby with me superfly, leather seats, speakers knock
Summertime, drop top, A/C, rag-top
Baby with me superfly, leather seats, speakers knock (Good job)
I know you wanna get to know me

And I like yo style
We should talk for a while
You the baddest around

Girl you so fly
And I can't even lie
Girl I'm on that
Ass so fat, and you know that
I condone that
If you ain't ready, girl, I can fall back
I know you wanna get to know me
(Know me, baby get to know me)

And I like yo style
We should talk for a while
You the baddest around
