

Let Me Sing To You

Larry June

(La Musica de Harry Fraud)

Whatever you want
Girl you know I will provide
Whatever you need
Girl you know I'm by your side
I'm keeping it G
Let me know if you trying to slide
I got the top down rolling
No telling where we goin'

Whatever you want
Girl you know I will provide
Whatever you need
Girl you know I'm by your side
I'm keeping it G
Let me know if you trying to slide
I got the top down rolling
No telling where we goin'

Hold on baby before you go let me talk to you
Looking like a basket of love so beautiful you know
Something about your eyes, smile amazing
How can I resist that?
But yeah, you're doing good baby
Sock it to me ay ay ay ay

Whatever you want
Girl you know I will provide
Whatever you need
Girl you know I'm by your side
I'm keeping it G
Let me know if you trying to slide
I got the top down rolling
No telling where we goin'

Lately you been on my mind
Think about you all the time
My name is Larry
You should take a nigga number and call me sometime
Yeah yeah ay ay ay ay

Whatever you want
Girl you know I will provide
Whatever you need
Girl you know I'm by your side
I'm keeping it G
Let me know if you trying to slide
I got the top down rolling
No telling where we goin'

Lately you been on my mind
Think about you all the time
My name is Larry
You should take a nigga number and call me sometime
Yeah yeah yeah yeah
