

# Life Is Beautiful

Larry June

Damn, yeah

Ayy, ayy, ayy, ayy, ayy, ayy, ayy, ayy

Uh, uh, ayy, ayy, ayy, ayy, ayy, ayy

Man, my heart's so big, man, I had to step back (Uh)

Put time in my craft, I'm a full-time dad (Numbers)

Morningtime decision, hardtop or the rag (Hmm)

Son dropped off, now I'm back to the lab (Numbers)

G 350 sitting nice on the pavers (Uh)

Espresso shot while I count this paper (Cool)

New windbreaker, wearin' archive Bottega (Uh)

Go tuck in Benicia with a view that's amazin' (Ayy, ayy, ayy, ayy, ayy, ayy, ayy, ayy)

Hit the car wash, take a jog while they cleanin' (Cleanin')

A nigga like me, love, nah, you never seen him (Seen him)

Al on the beat, spent my life on wax

Early morning calisthenics, after that, I kick back (Ayy, ayy, ayy, ayy, ayy, ayy, ayy, ayy)

And roll somethin' up, come with a plan

Tired of this shit, tryna really live

'Cause if you don't work, you don't eat, young man (Nah)

So every single day, I'm going hard as I can (Ayy, ayy, ayy, ayy, ayy, ayy, ayy, ayy)

Sacrifice

I'ma live my life like I wanna

'Cause you're beautiful

So beautiful (Toni)

Life is beautiful

I don't gatekeep, I want everybody to eat

It's a cold world, Jermaine wearing a mink

Even with my shoes off, not facing defeat

Appetite for destruction, they was craving deceit

Careful what you put inside, the outside the receipt

Me and Larry take our lives, put the vibe on the beat

Say my name a couple times, I arrive in some cleats

I come straight up out the field like a nigga picking wheat

I've been on a winning streak, I made Al pick all the beats

Intermittent fasting with the burpees got me looking sleek

Kissin' on my Georgia peach, I've been on the right path

I'ma take my son to practice in these out-of-state tags

Oldest daughter got a license and I pray she don't crash

But I know she ready, shit, she got it from her dad

And my middle child never goin' out sad

If they roll joints good, I'll put 'em on staff

And roll somethin' up, come with a plan

Tired of this shit, tryna really live

'Cause if you don't work, you don't eat, young man (Nah)

So every single day, I'm going hard as I can (Ayy, ayy, ayy, ayy, ayy, ayy, ayy, ayy)

Sacrifice

I'ma live my life like I wanna

'Cause you're beautiful

So beautiful

Life is beautiful

Ah, life is beautiful  
You know, it's the little things in life that make it worthwhile  
But my issue is that when you rap, you rap about what these children relate  
to because it's in their body  
You've already stated that  
I was just wondering what your thoughts were on, um, whether you thought you  
really had an impact on a lot of the young people, whether you thought it w  
as negative or positive
