

Like A Mack

Larry June

Damn, uh (Just Cranium), yeah, uh, uh (Ayy, ayy, ayy)
I walk like a mack, talk like a mack (Yeah)
Stack right like a mack (Uh), trap like a mack
Think I'm playin' like a mack, I roll like a mack
Nigga, I move like a mack (Yeah) and I ball like a mack, nigga

I've been juggin' like a motherfucker, don't ask 'bout my price
Got a DE with a scope on it and it came up with a knife
Gotta maintain when the price drop, gotta keep goin' when it's high
Gotta blend in when I'm doin' dirt, then I un-dope when I sigh
I don't sell dope, but I sell hoes and I made it out and I'm th
rivin'
I done made somethin' that's dove off, he'll think a nigga was
lyin'
Man, these hoes know how I'm rockin'
Man, these hoes know that I'm on
Don't be puttin' me on no square shit, bitch, you know and I ha
d hoes (Oh yeah)

I walk like a mack, talk like a mack (On-on-on God)
Gettin' money like a mack, send a bitch like a mack
I ball like a mack, play these cards like a mack (On-on-on God)
Nigga know what's happenin', I ball like a mack

I don't move 'less that motherfuckin' quala on the way
Okay, cool, on my way to NYC to grab a plate
Yeah, that's racks in my city with that heater on display
Run it back in my city with that heater on display
Yeah, that's right, I just hit for another fuckin' dub
Yeah, that's right, you a simp, you a motherfuckin' scrub
Okay, cool, I just tossed some wheels on it and I dropped 'em
Okay, cool, try to reach for this chain, then I'm, ayy, ayy, ay
y

I walk like a mack, talk like a mack (On-on-on God)
Gettin' money like a mack, send a bitch like a mack
I ball like a mack, play these cards like a mack (On-on-on God)
Nigga know what's happenin', I ball like a mack

Jugg, jugg, jugg, jugg
Jugg, jugg, jugg (Like a mack), jugg
Jugg, jugg, jugg, jugg
Jugg, jugg, jugg (Like a mack), jugg
