All a nigga know is mob, get it out a bitch twat

Took my new bitch to eat, crab legs on the yacht  
Bitch looking like Aaliyah man, I want to fuck now  
When I'm in the A-town niggas know how I get down  
Diamonds dancing like a jabberwocky, I'm that nigga now  
Bitch you getting on my fucking nerves, stupid ass tramp  
I don't never trust these hoes but I always keep my strap

I got fast cars but I drive slow  
I had to get it so I made it shake  
Dom Pérignon in the stake  
Make the money triple out of state  
Money calling I ain't never late
