I feel John Madden  
I'm pimpin', no cattin'  
I'm lookin' for an Ashtyn  
You nibblin' on pennies  
Damn it I'm that nigga (goddamn)  
Bitch I'm hella clean (sock it to me)  
Goddamn (ayy ayy ayy, ayy ayy ayy)  
I heard them niggas snitchin', had to hide the biscuit  
Tuck the ammunition, everything efficient  
Made the right choice, life's about decisions  
Bought the bitch a hemi, you don't really hear me  
Getting Jew like Jimmy, no gimmick  
Butterfly crab legs, no lemon  
Bitch talkin' 'bout kids then I'm dippin'  
The neck was pretty lit but that's about it  
Nekc in the house, neck in the whip  
Neck in the kitchen, neck on the film  
Neck on the first, neck on the sixth  
Damn I never had no neck like this  
Smokin' while I'm drivin', ticket for the tint, goddamn  
Hopped in the whip, knocked another bitch, ooh-wee

On my way to Guatamala with my shottas  
Dope dealers, killers, I was raised by 'em  
Project nigga, never had a job  
Free my niggas, fuck them niggas droppin' dimes  
Fuck a - bitch on Twitter tellin' lies  
Fuckin' for some clout, bitch you out of line  
Hit it from the back, grab that bitch a towel  
I didn't think about it, I just got it now  
Building cases, feds at the funeral  
I got whips I ain't drove in awhile  
Bought in cash case the trap slowed down  
Got a couple hundred but I need a mill  
Spot in Hollywood, one in Morgan Hills  
Bitch you actin' funny, must be on the pill  
Paris Hilton vodka, sodas on chill
