Tapped in with Mike, got the old school hit  
Slidin' down High Street in Oakland and shit  
Saw my old game so I stopped and wave  
Damn, I ain't seen this bitch in days  
Car wash pimpin', I'm mackin', son  
Every time you see me, I'm stackin' som'n  
I gotta stay healthy on a bitch  
Movin', groovin' on my shit  
Re-rock, flip a lot, movin' with a six-shot  
Bought it how I want it so I went and kept the whip stock  
Ballin, nigga? No you not, nigga, you's a mark  
Get you some money and get up out a nigga pocket  
Askin' me questions like, "June, where the Bim at?"  
"Okay, you bought the AMG, I seen that"  
And I don't even trap no mo', this all rap  
Everything a nigga talk about is all fact

Yeah, uh, nigga had to step it up  
Yeah, damn, uh, off top, out the mud  
Yeah, goin' hard on a slut  
Yeah, check, uh, nigga, I don't give a fuck

'Bout to make a hundred thousand in a month, gimme time  
Got a whole lotta swag, so these hoes 'bout to flock  
I don't got a fuckin' manager, manage my own guap  
Shit, I made it out these streets, so this rap shit is nothin'  
And my son gettin' older and my pockets is, too  
Sellin' woowap for the high 'cause I got the juice  
Water purified, I don't fuck around with that, boof  
Weed, drank, baby goin' stu'  
Movin' me when we hit the scene, this ain't new to me  
Movie scene when we slidin' through, nigga, yee  
You ain't cool as me, nigga, usually I be draped up  
Birthday lay bitch, always caked up  
And when I'm talkin' cakin', I'm talkin' big racks  
You stressed out 'bout the bitch, 'bout to go bad  
I'm ridin' around smokin' weed in the Jag  
They mad, forty piece got me on sag

Yeah, uh, nigga had to step it up  
Yeah, damn, man, off top, out the mud  
Uh, yeah, goin' hard on a slut  
Yeah, check, uh, nigga, I don't give a fuck

Ridin' 'round by myself  
It's gon' get hard, but you gotta keep grindin'  
Gotta keep- hahahaha  
Sh, sh  
Yeah, check, nigga  
Bring the kid that card, I don't wanna hear that shit  
Sh, sh, sh
