4DEEP mobbin', we in the stolo  
Smokin' that fire, lean like a cholo  
I'm not even thinkin', I'm not even rhymin'  
I pull out my bussdown, change up the climate  
Pimpin' and rappin', Deko, this shit slappin'  
I'm dismissin' bitches, 'cause these hoes be cattin'  
Meet me at Trader Joes, bring me a sandwich  
I broke her, then let her go  
Bitch, I'm a savage

Ridin' 'round, gotta get it  
Got my niggas with me, so we went and hit it  
Niggas hatin'  
So, I pack MAC-11 when I'm slidin' through the city  
911, Porshe [?]  
Trunk in the front, ooh no, he didn't?!  
People'll talk to the hoe  
I just slide through and check 'bout fifty  
God damn

I'm slidin'  
Bitch nigga, I'm slidin'  
Hoe nigga, I'm slidin'  
Faggot bitch, I'm slidin'

Put lean in my cream soda, my bitch in the Range Rover  
We eatin' at Bossa Nova, my money - it never fold  
This lean got me movin' slow, both of my pockets loaded  
Most of my pistols loaded, got dumb racks in lumber, shawty  
In my city, I'ma slide to the Eastside  
In my city, I'ma slide to the Westside  
In my city, I might slide to the Southside  
In broad day, yuh, nigga comittin' homicide  
I don't leave the house without my mufukin' pistol  
All my niggas slidin' 'round, trappin' out rentals  
Keep on gettin' paper, 'cause I'm [?], I count it  
Keep on gettin' paper, 'cause I'm [?], I count it

I'm slidin'  
Bitch nigga, I'm slidin'  
Hoe nigga, I'm slidin'  
Faggot bitch, I'm slidin'

I think they watchin' my moves, I spot a sassoon  
I'm not buildin' nothin', but ride with the tool

They stalkin' my IG, I'm throwin' 'em off  
Switch up my location, I move like a boss  
I slide to the V, then slide to the P  
Then back to the -Sco, but you can meet me 'round three  
GLOCK 40 on me, I swing the handle, then beam  
Been trappin' hard since fifteen, ayy, you be sellin' 'em dreams

Chill mode, wrist froze  
Knock the bitch in Filmo-, set her down at the centerfold

Pull up to '11, bitch you better get low  
Beamer coupe with the matte on it  
Lookin' like I'm 'bout to race sun'  
These rap niggas all internet, see a nigga, never say nun'

I'm slidin'  
Bitch nigga, I'm slidin'  
Hoe nigga, I'm slidin'  
Faggot bitch, I'm slidin'

Faggot bitch, I'm slidin'
