

## Still Active

Larry June

I gotta chill, lately I been goin' crazy  
You know what I'm sayin'?  
Lookin' at the Porsches and shit  
Cardo got wings  
Fuck it, might grab that  
'Cause it's really nothin' to a hustler, know what I'm sayin'?  
Yeah  
I'm tryna crack somethin'

A whole lotta money in this brown bag  
Is it real? I just have to ask  
Good trick, she can make it clap  
Good dick got her comin' back  
I ain't with the fuck around  
Head so good make me come around  
Gotta be smooth when my son around  
All the sudden everybody needs somethin' now  
Let a nigga shine  
Tryna get head like a line  
I need my fee like a find  
Meet me in the city 'round nine  
Came through, I was cleaner than a bitch  
[?] diamonds ain't dancin' like this  
Five takes, back-to-back, still didn't miss  
Ain't too many niggas workin' like this  
Scrape that, this the one  
I ain't gotta tell you, bitch, you know where I'm from  
Frisco, it get active  
Bounced out, I'ma get a bitch some action

I was flyin' through the motherfuckin' V (Vallejo)  
Tryna crack somethin', tryna crack somethin'  
I was mobbin' through the motherfuckin' P (Pittsburg)  
Tryna crack somethin', tryna crack somethin'  
Frisco (Tryna crack somethin'), the town (Tryna crack somethin')  
The Rich, bitch, it goes down (Tryna crack somethin')  
Antioch (Tryna crack somethin'), Pleasant Hill (Tryna crack somethin')  
Tap in, bitch, I'm still active (Tryna crack somethin')

Bitch, quit playin', I got moves to make  
Meet me out in Napa, we got wine to taste  
Hm, which whip today?  
I don't even wanna fuck, just lips today  
One thing I don't got is time  
Every bitch in my stable, a dime  
Yeah, I got a few girls, I don't hide 'em  
NYC when I first smoked sour  
Baby girl, what you wanna eat today?  
Your makeup and hair on fleek today  
I'm not a trick, baby, I got nothin' to take  
But a whole lotta game, I got money to make  
Break a bitch like a bad habit, I gotta have it  
I want it then I grab it and then I stash it  
Mashin' through the traffic swipin' plastic  
I know you want it, stop actin' so bashful  
Casual, white tee or a flannel  
Miami, Cincinnati, what's happenin'?

Savage, might send a bitch the address  
Magic, killed this, where the casket?

I was flyin' through the motherfuckin' V (Vallejo)  
Tryna crack somethin', tryna crack somethin'  
I was mobbin' through the motherfuckin' P (Pittsburg)  
Tryna crack somethin', tryna crack somethin'  
Frisco (Tryna crack somethin'), the town (Tryna crack somethin')  
The Rich, bitch, it goes down (Tryna crack somethin')  
Antioch (Tryna crack somethin'), Pleasant Hill (Tryna crack somethin')
