Hella Dom P bottles in my living room for no reason

Do the Thizzle dance right before I light the fatty (Thizz)
Do the Thizzle dance right before I light the fatty
Once upon a time, it was a P named Larry (yeehee)
Hoppin' out that muhfuckin' six, he was mashin'
My trap, was booming, my work, was moving
North Carolina with the snow, I was roofless
Trickin' on the muhfuckin' bitches, not my speed!
I was in the trap, selling ee-de-de-de-dee!
I was in the trap, selling ee-de-de-de-dee!
I was in the trap, selling ee-de-de-de-dee!
I'm just kicking, game, to say I'm for that fate
Same when I'm in LA, Circle K I'm in the A
Had to bust another play, I'm mobbin'
Niggas got a problem, I solve 'em

Once upon a time, it was a P named Larry (yeehee!)
He kept gettin' money and them niggas couldn't stand it (shit!)
Whip after whip, hoe after hoe (hoe)
Now he do shows, still a cracka hoe
The trap open, yeah, damn, uh
24, 24, 24
Trap open, open
24, 24, 24, 24, trap open
24, at your door, what you want (open)

Trap boomin', if you need it let me know (open)
Trap boomin', if you need it let me know (open)

Band a fuckin' block, then I'm back to jugg mode
Pulled over, popped the trunk, tossed the Nike's on

Got diamonds and gold shit, you be on that hoe shit
