Sellin' out cross-country, no agents (No agents still)
Still, you just made a fake page, I just made a 'Mill
We get chilly for real, I'm talkin' nights alone
I'm talkin' tears of joy, knowin' we made it back home, what's happenin?

Tell your assisstant hit my people if you wanna link (You wanna link)
Celebratin' our wins when we put up our drinks (Put up our drinks)
Not your ordinary niggas that come up where we come from

By the bumps in the road, marijuana gotta be rolled
Lotta money, but my family's what I care about most (Care about most)
