

# You Can Get Rich

Larry June

We tryin' to enjoy our best life  
Not struggle every day  
Not barely make it through (Check, check)  
That's why me and Larry June do what we do (Check, ayy, ayy, ayy)

Spendin' blood money on gold and nice timin' (Uh)  
Hundred thousand dollars a month, but keep it modest (Modest)  
Sellin' merchandise out the trunk, just know we got it (Got it)  
Pops always told me, "Man, you gotta break the cycle" (Cycle)  
Uncle Sam real, so I chill with my accountant  
Turnin' down deals, on the road with my family  
Six figures really not much, I need seven (Seven)  
I don't take L's, I learn lessons, I'm blessed, nigga

AMG with the red seats, it feel like a dream  
Five hours on the interstate, gotta get this cheese  
Stainless steel Batman Rolex with no deeds  
Love, you know you gotta have your weight up to fuck with me  
Runnin' up a check to the neck, I got six ways  
I'm just tryna live my life happy, I been through some things  
I think the best thing I ever did was never quit  
Stay up on your grind, young nigga, you can get rich

Seafood tower, I'm in New York fuckin' with it (For real)  
Every time I land in New Orleans, I fuck with Spitta (Jet Life)  
And my nigga Al, watch thirteen thou' (Thou')  
We can't wait 'til next week, love, I need it right now, what's happenin'?  
Make the right decision, get rich, dodge prison  
You can't call yourself a man if you don't take care of your children  
Either way I keep it real 'cause I understand the value  
Of being a man of your word, it's all about actions  
Relaxin', on my laptop doing doing taxes  
Book respected, speak on my name and I'm active (Active)  
Goyard wallet when I made the transaction (Slight)  
Cash ain't shit, get some property and credit (For real)  
Fingerprinted safe in the crib, nothin' in it  
You niggas know I'm smarter than that (Smarter than that)  
Couch nigga, you wasn't brought up like that (Brought up like that)  
Ounces of it and we turned it to crack (For real)  
Took my life and I turned it to rap

AMG with the red seats, it feel like a dream  
Five hours on the interstate, gotta get this cheese  
Stainless steel Batman Rolex with no deeds  
Love, you know you gotta have your weight up to fuck with me  
Runnin' up a check to the neck, I got six ways  
I'm just tryna live my life happy, I been through some things  
I think the best thing I ever did was never quit  
Stay up on your grind, young nigga, you can get rich

The experience been positively, organically healthy (Numbers), and gratifyin  
g  
Smoothies in the a.m. (Man)  
Cannabis weed in the evening  
Rappin' in the p.m. (Goddamn, uh)
