Lonely Boy

I'm in the middle of an island I'm in the middle of a sea I'm
staying here 'cause there's No place left for me. Yay, yay, yay
.

I'm a lonely boy in a lonely world There's no place left for me
I've been everywhere in the world there is I've sailed the sev
en seas.

But when I return it's always the same No one's waiting for me
I'm a lonely boy in a lonely world So now I'll sail the seas on
ce more Now I'll sail the seas.
