

## Dead American

Lars Frederiksen and the Bastards

Trench warfare dug in deep brutal bloody No retreat  
American dead better than red another politician with a debt on  
his head

Bodies ripped covered in shit Napalm blitz the City is lit

Bombs blast mustard gas throat slash truncheon smash

Hey, hey, hey, another story about another dead American (4x)

One more story about another dead American.

Blitzkrieg flames buildings ablaze killings fields where the bo  
dies decay

Torture racks machine gun cracks never surrender it's an all-  
out attack

Money whores open sores plan quiet wars behind closed doors

Clandestine games human remains cyanide genocide

Hey, hey, hey, another story about another dead American (8x)

One more story about a dead American.
