

# Hush

Lasse Lindh

Through the endless daydream  
I saw you on the way back  
There I walked with you in my arms  
Through the blurry darkness  
Who's veiling on the twilight  
We've been far away from my fears  
Somewhere else I'll see you  
Our days be like a blossom  
Blooming all around you  
so bright  
By and by  
I'll miss you  
and your laugh like a sunshine  
Fading into shadow of tears  
All around me is your light  
With you  
everything so shines  
How come we'll leave all behind  
Cause your love is falling  
on my heart  
And I'm falling for you  
Falling with broken wings again  
Hush now my angel  
I will always be with you  
In your pretty smile  
in a glow of tears  
Out across the frosty night  
I'll be there with you  
Maybe someday  
you'll wake up alone without me  
But don't cry again  
I'll be waiting here  
Where the moon is on the rise  
As the olden days  
I could just go with you  
between our time  
Where they can't find us  
somehow  
You could just come away  
with me out there  
Where we could dream away  
All day  
Hush now my angel  
I will always be with you  
In your pretty smile  
in a glow of tears  
Out across the frosty night  
I'll be there with you  
Maybe you'll always breath in me  
ever in my heart  
All the little pieces of you  
look how they shine above  
Come away with me tonight  
We'll be dreaming away there  
Maybe you'll always breath in me  
ever in my heart  
All the little pieces of you

look how they shine above  
Come away with me tonight  
We'll be dreaming away there  
Always
