## Last Dinosaurs

I don't want to know  
You're driving me crazy  
Say it again my memory's hazy  
I'm falling down the rabbit hole again, yeah  
All things in time will fade away  
But I by design will never stray from knowing this life is not  
the one for me

Oh I'm ready to be somebody else  
I'll forget how to feel the things I've felt

Ideas in the air  
The miracle methods  
I'll never get  
I'm easily tempted  
I'll follow you if you're offering the truth, yeah  
My mind is made up  
I'm willing to come down and wake up  
The longest I would know that this life  
It's not the one for me

Oh I'm ready to be somebody else  
I'll forget how to feel the things I've felt

One more time  
I need to see you one more time  
I'm leaving 'cause I need to know if there's more than this, ye  
ah

Oh I'm ready to be somebody else  
I'll forget how to feel the things I've felt
