

Self-Serving Human Being

Last Dinosaurs

You know that I don't wanna live forever
Least of all this way
I just wanna paint a decent picture
But I just make mistakes

No, I don't believe in too many things
When I was younger had a different reality
Now I'm older how that part of me has drowned
Fuck your feelings, we're self-serving human beings now

Oh, never meant to make you feel so
Oh, baby what I'm doing I don't know

Guess I can blame it on my human nature
And all the shit I read
At least I stopped to face the music
And came to terms with this

No, I don't believe in too many things
When I was younger had a different reality
Now I'm older how that part of me has drowned
Fuck your feelings, we're self-serving human beings now

Oh, never meant to make you feel so
Oh, baby what I'm doing I don't know

No, I don't believe in too many things
When I was younger had a different reality
Now I'm older how that part of me has drowned
Fuck your feelings, we're self-serving human beings now

Oh, never meant to make you feel so
Oh, baby what I'm doing I don't know

No, I don't believe in too many things (Oh, never meant to make
you feel so)
When I was younger had a different reality
Now I'm older how that part of me has drowned (Oh, baby what I'
m doing I don't know)
Fuck your feelings, we're self-serving human beings now
