

Shallow Boy

Last Dinosaurs

It's only been three weeks
But I don't ever wanna leave
Just like the movies
Take me to the sixteenth
We can be the bourgeoisie
MD and V.S.O.P

He's looking at other girls but I don't care
'Cause I'm just trying to figure out what he wants me to wear
He's looking at other girls but I don't care

He's just a shallow boy but he makes you feel like you're in Pa
ris
He makes you feel like you're in Paris
He's just a shallow boy but he makes you feel like you're in Pa
ris

Like Venus de Milo
I'm living in a gallery
I can't touch what I can see
Reflections in the window
Of life from the mezzanine

Reminds me what I can't be

In love with another world and I'm aware

He's just a shallow boy but he makes you feel like you're in Pa
ris
He makes you feel like you're in Paris
He's just a shallow boy but he makes you feel like you're in Pa
ris

Shallow boy, just a shallow boy
Shallow boy (shallow boy, shallow boy, shallow boy)
Shallow boy, just a shallow boy
Shallow boy (shallow boy, shallow boy, shallow boy)

He makes you feel like you're in Paris
He's just a shallow boy but he makes you feel like you're in Pa
ris
He makes you feel like you're in Paris
