

ANOTHER WAY

Lastlings

Caught
Now I'm runnin' 'round (Yeah)
I'm alone
I'm commin' back (Yeah)
Ooh, I'll find another way (Yeah, ooh)
Tell me why you want
To be alone

Slip through the dark
Shot me from the start
Runnin', runnin', runnin'
Runnin', runnin', runnin'
Slip through the dark
Shot me from the start
Runnin', runnin', runnin'
Runnin', runnin', runnin'

I-
I'll find another way

You wonder for the mantel
Tell me what you want now
Tell me what you need (Ahhh)

Slip through the dark
Shot me from the start
Runnin', runnin', runnin'
Runnin', runnin', runnin'
Slip through the dark
Shot me from the start
Runnin', runnin', runnin'
Runnin', runnin', runnin'

I need just another way
I need just another way
