Held Under

Lastlings

Don't you cry
Don't you cry
I wanted you here
I wanted you here
Don't you cry
Don't you cry
I wanted you here
I wanted you here

When the earth is done
Will you be around?
Through the dust, through the dust
Will you be the one?

Please take me anywhere
'Cause I'm scared of being held under
Please take me anywhere
Got nothing left to bring me back to your arms
Can you bring me up in here?
'Cause I'm scared of being held under
Can you bring me up in here?
Can you bring me back to the light one last time?

When I call for home
Will you be around?
Holding on, I'm holding on
Will you be the one?

Please take me anywhere
'Cause I'm scared of being held under
Please take me anywhere
Got nothing left to bring me back to your arms
Can you bring me up in here?
'Cause I'm scared of being held under
Can you bring me up in here?
Can you bring me back to the light one last time?
Can you bring me up in here?
'Cause I'm scared of being held under
Can you bring me up in here?
Can you bring me back to the light one last time?

One last time
One last time
One last time

Don't you cry
Don't you cry
I wanted you here
I wanted you here
Don't you cry
Don't you cry
I wanted you here
I wanted you here
