

I'm Here

Lastlings

You don't want to know me
I can see that you're afraid
I know that you'll be the one to tell me
I don't want to know you
I can see it in your face
That the someone that you're calling is gone

And I'm trying, I'm trying
But you keep moving on
I'm trying, I'm trying
But you're [?]
I need to
Slow down
I need to slow

Do you know I'll be there
(Oh you know I'll be there)
Do you know I'll be there
(Oh you know I'll be there)

It's pulling me under
But you won't let me in
It's taking me over
It's starting to begin

And I'm trying, I'm trying
But you keep moving on
I'm trying, I'm trying
But you're [?]
I need to
Slow down
Oh I need to slow

Do you know I'll be there
Oh you know I'll be there
Do you know I'll be there
Do you know I'll be there
Oh you know I'm here
Do you know I'll be there
(Ooh... ooh)

What you'll see is what you'll get
The feelings you're forgetting
Never awake, never asleep
Coming from my ribs down to my feet
Never know which way you're headed
I'm lonely 'cause you [?]
Those my words I cannot speak
Oh, this love it makes me...

Do you know I'll be there
Oh you know I'm here
Do you know I'll be there
Oh you know I'm here
