```
How could I be
How could I be so
Won't you tell me
Won't you tell me so
How could I be
How could I be so
Won't you tell me
Won't you tell me so
Slow mover don't you fuck around
Slow mover don't you fuck around
Can he take you higher
What do you desire
Can he take you higher
What do you desire
How could I be
How could I be so
Won't you tell me
Won't you tell me so
How could I be
How could I be so
Won't you tell me
Won't you tell me so
Stop
Where you goin', where you goin'
Hope you're never comin' back for more
She don't even want to know
If you ever felt the same before
Slow mover don't you [?]
Slow mover don't you [?]
Slow mover don't you fuck around
Can he take you higher
What do you desire
How could I be
How could I be so
Won't you tell me
Won't you tell me so
How could I be
How could I be so
Won't you tell me
Won't you tell me so
(How could I be)
Slow mover don't you fuck around
(How could I be so)
Won't you tell me, won't you tell me so
(How could I be)
Slow mover don't you fuck around
(How could I be so)
```

Won't you tell me so
