

Visions

Lastlings

Ooh, resurface
By now, you're holding heavy
By now, you're bringing us down
Keep on moving
By now, we're in a circle
By now, we're certain to fall

I know you're holding on
I know it's been far too long
Tell me where I belong
Give me a place
Don't fade away (Don't fade away)
All these stories you regret
Taking over, full of red
Let me go, words you said
Breathe in now
Breathe in now
Ghostly visions before you slept
Broken sleep, not what you heard
Hold me closer, words you said
Won't break me now
Won't break me now

Ooh, resurface
By now, you're holding heavy
By now, you're bringing us down
Keep on moving
By now, we're in a circle
By now, we're certain to fall

Ooh, resurface
By now, you're holding heavy
By now, you're bringing us down
Keep on moving
By now, we're in a circle
By now, we're certain to fall

I know you're holding on
I know it's been far too long
Tell me where I belong
Give me a place
Don't fade away
I know you're holding on
I know it's been far too long
Tell me where I belong
Give me a place
Don't fade away
